

Terminal Handling Charges

All SAL Cargo Company Terminals

Charges applicable to each Air Waybill (Master or House AWBs) shall be calculated based on the chargeable weight and the nature of the product, in accordance with the rates specified in the tables below.

Notes:

- 1) Partial import shipments shall be subject to separate charges for each individual part, calculated in accordance with the applicable rates set forth in the tables below.
- 2) The final invoice shall remain valid for a period of eight (8) hours from the time of its issuance. Should the shipment exceeds this timeframe, the storage charges and any other applicable fees shall be subject to recalculation based on the actual time elapsed.
- 3) For import shipments, or in the event of any discrepancies identified therein, the applicable charges shall be calculated based on the greater of the shipment weight or its volume.
- 4) All charges shall be payable in accordance with the minimum rates set forth in the tables below. Such charges may be subject to increase based on the nature of the relevant products
